LAKEVIEW

Community in a Garden

Located along Upper Serangoon Road, Alkaff CourtView and Alkaff LakeView are amongst the first few public housing developments in the new Bidadari estate.

The Bidadari estate is envisioned as a sanctuary where residents can enjoy a green and relaxed environment, well-served by a variety of amenities. Located in the new Alkaff district, these developments are near the proposed Alkaff Lake (inspired by the former Alkaff Lake) and Bidadari Park. As their names imply, each development has a distinct view. A landscaped roof deck within Alkaff LakeView overlooks the Alkaff Lake and Bidadari Park, while residents of Alkaff CourtView will enjoy landscaped courts at their doorsteps.

Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.
