HDB'S SALES LAUNCH • NOV 2014

BLOSSOM
SPRING © YISHUN

Live close to greenery

Bounded by Yishun Avenue 6 and Yishun Street 42, Blossom Spring @ Yishun comprises four 14-storey residential blocks and offers 650 units of 2-, 3-, and 4-room Standard Flats. In addition, two other residential blocks within Blossom Spring @ Yishun will be set aside for rental housing, making a total of six residential blocks in this new precinct.

The name “Blossom Spring @ Yishun” takes inspiration from the natural greenery and beauty of the neighbourhood park located right next to the development, as well as the branch motifs that will adorn the development’s facilities.

Garden spaces and more

Blossom Spring @ Yishun will offer a diverse range of recreational activities. Amid the garden spaces at your doorstep, you will find outdoor facilities such as children's playgrounds as well as adult and elderly fitness stations. Resting shelters and a precinct pavilion will also be provided for small-group interaction and family gatherings.

The rooftop garden above the multi-storey car park will serve as an additional venue for relaxation, while the adjacent neighbourhood park will offer more choices for those seeking to keep fit or have some outdoor fun.

You will also find daily conveniences within easy reach as Blossom Spring @ Yishun will come with its own supermarket, an eating house, restaurants and shops located at the 1st storey of the multi-storey car park. A Residents' Committee Centre and a childcare centre will also be located within the development.

Eco-Friendly Living

To encourage a “green” lifestyle, Blossom Spring @ Yishun will have several eco-friendly features:

- Separate chutes for recyclable waste
- Motion sensor controlled energy efficient lighting at staircases to reduce energy consumption
- Regenerative lifts to reduce energy consumption
- Eco-pedestals in bathrooms to encourage water conservation
