HDB Sales Launch – November 2016

Live Amid Amenities

Bounded by Sims Avenue and Lorong 1 Geylang, Kallang Residences comprises 2 residential blocks. The name 'Kallang Residences' takes cue from its location, which is close to the Kallang MRT station.

You can choose a home from 243 units of 3- and 4-room flats.

Please refer to the site plan to find out more about the facilities in Kallang Residences. As this is a public housing development, facilities in this project will be opened to the public.

Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents’ committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.

Notes:
All proposed developments are subject to change and planning approval.
The proposed facilities and their locations as shown are indicative only. The proposed facilities may include other ancillary uses allowed under URA's prevailing Development Control guidelines. For example, places of worship may also include columbarium as an ancillary use, while community centres may also include childcare centres. The implementation of the facilities is subject to review from time to time by the relevant authorities.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. Eco-Friendly Living

To encourage a 'green' lifestyle, Kallang Residences will have several eco-friendly features:

- Separate chutes for recyclable waste
- Motion sensor-controlled energy efficient lighting at staircases to reduce energy consumption
- Regenerative lifts to reduce energy consumption
- Eco-pedestals in bathrooms to encourage water conservation
- Bicycle stands to encourage cycling as an environmentally friendly form of transport
- Parking spaces to facilitate car-sharing schemes
- Use of sustainable and recycled products in the development

Contemporary Homes

Kallang Residences offers 3- and 4-room flats.

The 3- and 4-room flats will come with floor finishes in the kitchen, household shelter, service yard, and bathrooms. Wall tiles will also be provided in the bathrooms and kitchen.

All new HDB flats have Universal Design features such as wider corridors, ramps instead of steps to allow for ageing in place.

Optional Component Scheme

The Optional Component Scheme provides convenience for our buyers, and is offered on an opt-in basis. Please refer to the attached Optional Component Scheme leaflet for details. The cost of the optional components will be added to the selling price of the flat.
