

HDB Sales Launch – November 2016

Relaxing Abode

Located in the Northshore district of Punggol town, Northshore Trio is bounded by Northshore Drive and Punggol Way. You can choose from 409 units of 2-room Flexi, 3-, and 4-room flats offered in this development.

The highlight of Northshore Trio is its distinctive three-block configuration, which gives the development its name. Ranging from 7 to 26 storeys in height, the residential blocks feature a sky terrace at block 410A, and a roof garden between blocks 411A and 411B that provides residents with an open space for relaxation and social interaction.

Please refer to the site plan for the facilities to be provided in Northshore Trio. As this is a public housing development, facilities in this project will be opened to the public.

Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.

PUNGOL

Construction Industry Park comprises construction-related developments such as pre-cast yards, ready-mixed concrete plants, workers' dormitories (i.e. PPT Lodge 1A and PPT Lodge 1B), and aggregate and sand stockpiles

Proposed expansion of KPE/TPE interchange including link road to Pungol Central is estimated to be completed by 2019

* This site, which is currently zoned as "Civic & Community Institution" in URA's gazetted Master Plan 2014, will be rezoned to "Health & Medical Care" to meet the need for this facility in Pungol North.

Eco-Friendly Living

Northshore Trio is designed to fulfil the vision of establishing Punggol as an Eco-Town. To support this vision, the development has numerous eco-friendly features:

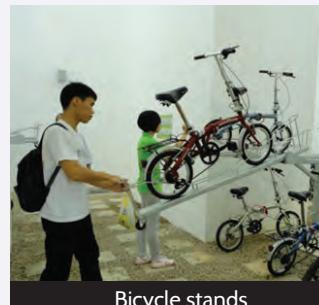

- Separate chutes for recyclable waste
- Motion sensor-controlled energy efficient lighting at staircases to reduce energy consumption
- Regenerative lifts to reduce energy consumption
- Eco-pedestals in bathrooms to encourage water conservation
- Rainwater harvesting system to store rainwater for washing of common areas
- ABC Waters design features to clean rainwater and beautify the landscape
- Bicycle stands to encourage cycling as an environmentally friendly form of transport
- Parking spaces to facilitate car-sharing schemes
- Use of sustainable and recycled products in the development

Smart Solutions

Northshore Trio will feature Smart technologies to bring about a more liveable, efficient, sustainable, and safe living environment. These solutions include:

- Smart-Enabled Homes to support easy installation of smart systems
- Smart Lighting which meets the needs of residents while reducing energy consumption
- Smart Pneumatic Waste Conveyance System to optimise the deployment of resources for cleaner and fuss-free waste disposal

Delightful Homes

Northshore Trio offers 2-room Flexi, 3-, and 4-room flats.

The 2-room Flexi flats come in 2 sizes: 36sqm and 45sqm, and are available either on a 99-year lease or short-lease. These flats come with

- floor finishes in the kitchen, household shelter, and bathroom
- wall tiles provided in the bathroom and kitchen
- a sliding partition/ door for the bedroom and folding bathroom door.

As the 2-room Flexi flats on short-leases are meant for the elderly, they will be fitted with grab bars.

The 3- and 4-room flats will come with floor finishes in the kitchen, household shelter, service yard, and bathrooms. Wall tiles will also be provided in the kitchen and bathrooms.

All new HDB flats have Universal Design features such as wider corridors, ramps instead of steps to allow for ageing in place.

Optional Component

The Optional Component Scheme provides convenience for our buyers, and is offered on an opt-in basis. Please refer to the attached Optional Component Scheme leaflets for details.

The cost of the optional components will be added to the selling price of the flat.
