

HDB SALES LAUNCH

MAY 2016

Senja  Ridges

Delightful retreat

Senja  Ridges

Senja Ridges comprises one residential block with heights staggering from 8 to 24 to 33 storeys to create the tapered look of ridges. You can choose from 230 units of 4-, 5-room, and 3Gen flats in this development.

Please refer to the site plan for the facilities to be provided in this development. As this is a public housing development, facilities in this project will be opened to the public.

BUKIT PANJANG

Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.

Notes:

All proposed developments are subject to change and planning approval. Proposed Place of Worship includes examples like Church, Mosque, Chinese Temple, Hindu Temple, etc., subject to change and planning approval. Proposed Civic & Community Institution includes examples like Community Centre/Club, Association, Home for the Aged, etc., subject to change and planning approval.

Proposed Health & Medical Care include examples such as Hospitals, Polyclinics, Clinics, Nursing Homes and Eldercare Facilities, etc, subject to change and planning approval. The proposed facilities and their locations as shown are indicative only. The proposed facilities may include other ancillary uses allowed under URA's prevailing Development Control guidelines. For example, places of worship may also include columbarium as an ancillary use, while community centres may also include childcare centres. The implementation of the facilities is subject to review from time to time by the relevant authorities.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. Eco-Friendly Living

To encourage a 'green' lifestyle, Senja Ridges will have several eco-friendly features:

- Separate chutes for recyclable waste
- Motion sensor controlled energy efficient lighting at staircases to reduce energy consumption
- Regenerative lifts to reduce energy consumption
- Eco-pedestals in bathrooms to encourage water conservation
- Bicycle stands to encourage cycling as an environmentally friendly form of transport
- Parking spaces to facilitate car-sharing schemes
- Use of sustainable and recycled products in the development

Delightful Homes

Senja Ridges offers 4-, 5-room, and 3Gen flats. These flats will come with floor finishes in the kitchen, household shelter, service yard, and bathrooms. Wall tiles will also be provided in the bathroom and kitchen.

All new HDB flats have Universal Design features such as wider corridors, ramps instead of steps to allow for ageing in place.

Optional Component Scheme

The Optional Component Scheme provides convenience for our buyers, and is offered on an opt-in basis. Please refer to the attached Optional Component Scheme leaflets for details.

The cost of the optional components will be added to the selling price of the flat.
