

HDB's Sales Launch – February 2018

Tranquil Living

Located in Tampines North, Tampines GreenFoliage is bounded by Tampines North Drive 2 and Tampines Street 62. This development is nestled within the tranquil living environment of Tampines North, next to a park.

At Tampines GreenFoliage, you can choose from 542 units of 4- and 5-room flats, housed in 4 residential blocks ranging from 11 to 15 storeys.

Envisioned to be a green haven, the name 'Tampines GreenFoliage' is inspired by its location near 2 proposed parks and its landscaping.

Please refer to the site plan to find out more about the facilities in Tampines GreenFoliage. Facilities in this development will be opened to the public.

Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents’ committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.
