

HDB SALES LAUNCH AUGUST 2016

Artist's Impression

Lush Garden Homes

Bounded by Yishun Avenue 6 and Yishun Avenue 8, Valley Spring @ Yishun is set among areas of lush greenery in the neighbourhood. The residential blocks that surround and overlook the development's central green space represent a vibrant valley, which was the inspiration for its name.

This development comprises 6 14-storey residential blocks. Choose a home from 824 units of 2-room Flexi, 3-, and 4-room flats. Please refer to the site plan for the facilities to be provided in Valley Spring @ Yishun. As this is a public housing development, facilities in this project will be opened to the public.

Artist's Impression

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.
